Ardaloedd perygl posibl

Yr ardaloedd a nodwyd fel rhai sydd angen gofal a sylw arbennig yw:

- **Llethr serth i'r castell a llwybr anwasted**
- **Tramwyfeydd tywyll, cul a gwlyb mewn ogof o dan y castell**
- **Gall y cerrig a'r glaswellt fod yn llithrig os ydynt yn wlyb**

Rydym yn argymhell yn gryf eich bod yn nodi lleoliad yr ardaloedd hyn cyn cychwyn ar eich ymweliad.

Carreg Cennen

Areas of potential hazard

The areas which have been identified as requiring particular care and attention are:

- **Steep ascent to castle with uneven path**
- **Dark, narrow and wet passageways in cave under castle**
- **Paved and grass areas may be slippery when wet**

We strongly recommend that you identify the location of these areas before commencing your visit.
