- defnyddio rheiliau llaw BOB AMSER os cânt eu darparu
- YSTYRIED ymwelwyr eraill

Additional Information
This guidance is intended to assist groups in planning visits to sites administered by Cadw. It is not a risk assessment. Each group will have its own particular requirements. Schools must carry out their own risk assessment in accordance with the guidance issued to them by central and local government from time to time. Group leaders are encouraged to carry out exploratory visits to assess the level of risk. There will be no charge for exploratory visits undertaken by prior arrangement.

Gwybodaeth Ychwanegol

Bwriad yr arweiniad hwn yw cynorthwyo ysgolion i gynllunio ymweliadau â safleoedd a weinyddir gan Cadw. Nid yw'n asesiad risg. Bydd gan bob grŵp ei ofynion penodol. Mae'n rhaid i ysgolion gynnal eu hasesiad risg eu hunain yn unol â'r arweiniad a gyhoeddwyd ar eu cyfer gan lywodraeth ganolog a lleol o bryd i'w gilydd. Anogir arweinwyr grŵp i gynnal ymweliadau archwilio i asesu lefel y risg. Ni chodir tâl am ymweliadau archwilio a gaiff eu trefnu ymlaen llaw.

School groups must be supervised at all times

Historic monuments can be dangerous places for visitors who do not take care. Visitors at any of our sites need to be aware of the following potential hazards.

- Uneven steep or narrow stairs
- Uneven or slippery surfaces
- Eyes taking time to adjust to sudden changes of light
- Low headroom
- Unprotected drops
- Areas of open and deep water
- Adverse weather conditions (which may create or increase hazards)

Your own risk assessment may identify other areas where particular care and attention is required

- Supervisors of school groups must ensure that pupils:
- DO NOT climb up or walk along the top of any walls
 - DO NOT run at any time (whether inside or outside the monument). Banks and moats can be hazardous
 - DO NOT lean out of windows or openings
 - DO NOT climb railings or fencing
 - DO NOT sit on handrails, railings or walls
 - DO NOT drop litter
 - WEAR suitable footwear and clothing
 - ALWAYS use hand rails where provided
 - SHOW CONSIDERATION to other visitors
