- to be aware of the following potential hazards.
- Historic monuments can be dangerous places for visitors who do not take care. Visitors at any of our sites need

School groups must be supervised at all times

This guidance is intended to assist groups in planning visits to sites have its own particular requirements. Schools must carry out their own risk assessment. Each group will administer by Cadw. It is not a risk assessment in accordance with the guidance issued to them with the guidance issued to them from time to time. Group leaders are encouraged to carry out exploratory visits to assess the level of risk. There will be no charge for exploratory visits undertaken by prior arrangement.

St David's Bishops Palace

Mae'n rhaid goruchwyliau grwpiau ysgol bob amser

Gall henebion hanesyddol fod yn llefydd peryglus i ymwelwyr nad ydynt yn cymryd gofal. Mae angen i ymwelwyr ag unrhyw un o'n safleoedd fod yn ymwybodol o'r peryglon posibl canlynol.

- Grisiau anwastad serth neu gul
- Arwyneb anwastad neu lithrig
- Y llygaid yn cymryd amser i addasu i newidiadau sydyn yn y golau
- Nenfwd isel
- Disgynfeydd peryglus
- Ardaloedd o ddŵr agored a dwfn
- Twydd gwael (a all greu neu gynyddu peryglon)

Gall eich asesiad risg chi nodi ardaloedd eraill lle mae angen gofal a sylw arbennig

Mae'n rhaid i arolygwyr grwpiau ysgol sicrhau bod y disgylion yn cadw at y canlynol:

- PEIDIO Â dringo neu gerdded ar ben unrhyw walau
- PEIDIO Â rhedeg ar unrhyw adeg (naill ai y tu mewn neu y tu allan i'r heneb). Gall llethrâu a ffosydd fod yn beryglus
- PEIDIO Â phwysio allan o ffenestri neu agorfeidd
- PEIDIO Â dringo rheilau neu ffensys
- PEIDIO Â AG eistedd ar reiliau llaw, rheilau neu walau
- PEIDIO Â gollwng ysbwriel
- GWISGO esgidiau a dillad addas
- defnyddio rheilau llaw BOB AMSER os cânt eu darparu
- YSTYRIED ymwelwyr eraill

Llys yr Esgob Tyddewi

Ardaloedd perygl posibl

Yr ardaloedd a nodwyd fel rhai sydd angen gofal a sylw arbennig yw:

- **Bariau isel sydd ar weddillion seddau ffenestri sy'n edrych dros yr iard**
- **Grisiau troellog tywyll a chul**
- **Prif risiau — dim canllawiau**
- **Grisiau serth agored sy'n llithrig mewn tywydd gwlyb**
- **Gwaith cadwraeth/cynnal a chadw parhaus — uffudhewch i arwyddion a rhybuddion 'dim mynediad'**
- **Dim mwy na 6 o ddisgyblion dan oruchwyliaeth yn y siop roddion ar yr un pryd**
- **Gall y cerrig a'r glaswellt fod yn llithrig os ydynt yn wlyb**

Rydym yn argymhell yn gryf eich bod yn nodi lleoliad yr ardaloedd hyn cyn cychwyn ar eich ymweliad.

St Davids Bishop's Palace

Areas of potential hazard

The areas which have been identified as requiring particular care and attention are:

- **Remains of window seats overlooking courtyard have low barriers**
- **Dark and narrow spiral staircases**
- **Principal staircases — no handrails**
- **Exposed steep staircases slippery in wet weather**
- **Ongoing conservation/maintenance work — obey 'no access' signs and warnings**
- **Maximum of 6 supervised pupils in the gift shop at one time**
- **Paved and grass areas may be slippery when wet**

We strongly recommend that you identify the location of these areas before commencing your visit.
